“ Perry and family; I am very sorry for your loss. I have kept up with Fays condition during her long illness through Martha, and apparently she didn't have a good expectancy for getting well. I know you took very good care of her. I remember Faye from the days we rode the big yellow school bus to Hopewell School.##imported-begin##Marilyn Carpenter##imported-end##

“ As a little girl, I loved to go to Aunt Faye's and play dress up! Her jewelry and shoes were my favorites! _____ Aunt Faye is in a better place right now, more so than ever before. All her pain is gone, she's at rest; Nothing troubles her anymore. It's we who feel the hurt; Our pain, sadness and grief. We must cry and mourn our loss, before we get any relief. We know we'll reconnect with her at the end of our life's road. We'll see her cherished face again; When we release our earthly load. Our Heavenly Father has prepared a place for her; She's at peace for evermore.##imported-begin##Diana Webb##imported-end##
