“ Jack was a mentor to me when I was just starting out as a computer programmer. He was a great guy and was kind to everyone. He had a great sense of humor and a laugh that made everyone else around him laugh too. He will be missed.

“ Jack was my friend for over 52 years. He was a generous and kind soul. We had many good times together scuba diving, going to concerts and just hanging out. I truly appreciate his support and friendship when I was in college. He was a good man, kind to all of those around him. He will be missed.
