“ Junell Holbrook was one of the sweetest, persons I've ever known!! Leo and I started going to Mt. Zion when we were teenagers and began dating. We were married there by Ernest Holbrook and his talented wife, Junell, played the organ during our wedding ceremony. Ernest was an avid fisherman and some of the fondest memories are the times he took Leo and me out in his fishing boat to fishing lakes in the area. . . my favorite lure was a "yellow sally" which he introduced us to and was a real "hit" with the bass!! Junell was a role model to me since I was a newlywed and I so enjoyed spending time in their home after church observing how a "real married couple" lives.

(Sandra, I apologize for not going to the funeral. . . I put the date down on the wrong day and thought it was today!! Leo and I got up early today so we could go to the funeral. . . . even drove to the funeral home and was told her funeral was a week ago!!!! We felt HORRIBLE!! (By the way, the picture of her at the bottom of this page is simply beautiful. . . it so captures her beautiful smile and personality!! I tried to find your phone number but couldn't find it. . . .please contact me. . . . Love and blessings to you and all the family. . . . Carolyn Gillman cgillman@tampabay.rr.com www.cgillman.com
