“ Cuz, I will forever be grateful I had that Wednesday October 7th 2020 with you at the Beach! I will never forget you and I laughing like a bunch of teenagers, eating our Cubans sandwiches just like all the others we have shared and enjoyed!! Cuz, You was all ways the only person I could tell anything to and I knew it would never go any where else, Thank you for all the memories we shared!! All the concerts we went to, of course I had to bring them up, laughing! I will all ways be there for your children!! I will miss you the rest of my life!! I will always love you!!

“ I am blessed to have ever known this woman she truly stole not only Bobby's heart but our entire family... you could only love her she was one of the rarest of pure loving souls. My mother absolutely adored her, Bobby and Karen would FaceTime her and she would start with Bobby and it didn't take long before she was asking about Karen... without fail Karen would say "hey pretty lady, how was your day" and my mom would light up and smile. She left us all wanting more time with her... her little swang in her voice was infectious... I can't imagine ANYONE not liking her even if you tried... you just couldn't. I loved her and I miss her dearly. Too great a loss for all that had the honor to know her💔
