Anytime I saw Karen or even spoke to her over the phone, she made sure to let me know that I was loved. She was not shy to hug or say I love you. She was a warm and loving woman who made you feel like part of the family. She will forever be in my heart and my memories. My condolences to her family and I'm sorry I couldn't be there at the funeral. I'll be praying for you all during this difficult time.
