“ *Over the past couple of years, Karen stayed at my place off and on. We shared some great times. She made dinner a few times - her way of saying thanks for letting her stay.*

Karen was the first person I met from Brandon Boardgamers. The first night, Karen, Mark Crouch, and I played Dominion. I was totally confused, but we had fun.

Karen, I will miss you and your smile and your kind heart so so much.

“ *Karen was a warm, sweet and friendly person. She made me feel welcome when I first arrived in Florida. I still remember, a month after I arrived, I had no transportation. So she picked me up and drove Sharon and me to a gaming event somewhere in west Tampa. She taught me to play Fresco that day - even though she was still a bit unsure of the rules. I lost, but had a great time.*

Thank you Karen. Linda and I will never forget you.

“ *If I only had five minutes the day you passed away,
I would have had time to tell you all the things I needed to say.*

*I never got to tell you how much you mean to me,
Or that you were such a great friend, to so many, selflessly.*

*The last time that I talked to you
I wish I would have known.
I would have hugged you a bit longer*

*But you were gone so quickly,
Before you even knew it,
you were standing at heavens gate.
Now God has called upon you,
It's time to get your wings.
To leave this life behind you,
And enjoy all of heavens beautiful things.*

*If I only had five minutes,
the morning you passed away,
I'd give you one last hug so tight and see your great big smile.
I'd kiss your cheek and take your hand and tell you it's okay to go
And tell you that we will all miss you, more than you'll ever know.*
