“ My mother had many loves in her life, but the most important being the love of her family, friends and her Lord and Savior, Jesus Christ.. I am at a loss for words to express the sadness and emptiness I feel. My mom was the most amazing, loving, and beautiful woman I have ever known. Every conversation that she had with her children, ended in an I Love You. Oh how I wish I could here those words just one more time. My sister (Charlene Cardona), my brother (David Stiles) and I have been truly blessed to have a mother like her. My life will never be the same without her and I will miss everyday. I Love You my beautiful, wonderful Mother
