“ We are so sorry to hear of your Mother passing away. I will miss her joyful spirit and smile. She made us two 4 foot Christmas trees several years ago. One is rustic and one is nautical. I remember her being excited to do the nautical tree since she had never done one before. They both turned out beautiful and I put them in our home during Christmas every year which reminds me of her. You and your family are in our thoughts and prayers. Love, Steve & Debbie Addair

“ I have known Karen since 7th grade when we became friends. She was always so sweet and kind. My family and I moved to Chiefland, Florida, when I was a junior at PCHS. Karen and her sweet mother hosted a slumber party as a goodbye for me leaving. That was such a special memory for me that I have never forgotten. She will be missed, but I love good memories to remember her kindness.
