The video is beautiful! It showed what a wonderful woman and mom , with amazing kids that loved her so much, a ton of grand babies and great grand babies! Every Mother's Day now don't be sad, celebrate her life instead! She would love that! She is at peace now, no pain, no worry, and just remember, goodbye is not forever, just until we meet again! I am praying for healing and comfort for your family! One thing I know she taught y'all is to be strong! So now is the time to be strong for her, she would be proud! Love and my deepest sympathy to the family,
Tina Wilcox

I sure do miss you mom, more than any words I could ever write, I know you are at peace now. My heart is so heavy with guilt. I pray oneday I can find my own peace. I will forever miss you and long to hear your sweet voice. Hear you laugh, feel you hug me, and just sit and talk to you. I truly lost my best friend. A mother is so much more than just a mom. She is what holds you together. She gave life to you. Mom you were the best mother. God could not have given me a better mother than you. I would not want any other. I love and miss you dearly. Today, tomorrow and forever. Love always Annette
