“ To Chuck, my dear friend and colleague: This time is tough and you may feel at times you are alone but please know that Burt and I are here for you and your family - whatever the need. What a terrible loss, your life partner and love. Remember the life Katherine lived, lean on your friends for strength, and always remember how much you are cared about. My deepest sympathies go out to you, the kids and grandchildren. Brenda##imported-begin##Brenda Jordan-Reynolds##imported-end##

“ To My Dear Friend, "Kathy"; I am in shock! I have known you all of my entire life. We are the same age and I remember what fun our families had and the silly little girls we were. I had just the greatest of childhood times playing dodgeball, riding bikes, going to movies, shopping and having sleep-overs with you. I looked forward to the holiday season when our moms would take us on the bus to downtown Pittsburgh for Christmas shopping. Do you remember the time we all went to see "The Sound of Music" in McKeesport and we had ice cream after? Those were fun, fun times. I just wanted to let you know how much I loved you as a true friend. I will always think of you and the times we had...memories of the heart. Chuck and family, please except my deepest sympathies to you, your children and also to the entire Zambo family. Rest in peace, dear, dear, friend until we all can be together once again.##imported-begin##Brenda Sillaman-Fasekas##imported-end##

“ I want to express my sympathy to Chuck and the kids. Your mother was a wonderful person and I can remember when we were younger riding around in my car and thinking that we had the rest of our lives. I have missed sharing time with her and you all because I have moved around so much but if you ever are driving through Indianapolis, IN please feel free to give me a call. My husband Kevin and I would be glad to see you I have told him so much about all of you. Again I miss Kathy so much and I know that she is sharing time with my dad who died last December. “ Mr. Bozurich and children, I cared for your wife and mother while she was at LRMC, I want you to know how much I prayed for her recovery, even though I took care of her for only two days, I talked to her and prayed for her the entire time and prayed for you as well. I know your faith pulled you through this and hopefully will continue to do so. May God bless you and your family, thank you so much for allowing me to take care of your wife during her last days. I wish I could have known her before she was sick. God Bless, Jodi Levins###imported-begin##Jodi Levins###imported-end##
