“ I first met Kathy and Pip when my family started attending Whitehurst Road Baptist Church in 1978. She was my Sunday School teacher for many years. She was always kind and patient with me, even when I was being difficult. She always had good advice, and set a great example of what a Christian should be. Because I moved away from Florida in 2011 and only go back once a year, I haven't seen her in 4 or 5 years. But the last time I saw her, her mind was as sharp as it ever was. I'm going to miss you, Kathy. I'll always have find memories of you.

“ Kathy was a great friend and mentor of mine. We worked together and later she worked for me. I would call her my Plant City mom. I tried to stop and see her when I was in town. Say hi to Jesus for me.

“ Not only our Sunday School teacher but a great friend. I spent quite a few nights at her house when she lived in Memphis. I was 19 and our friend Billye, who also lived with the family was 18. How much laughter we shared. She has joined her family for eternity. See you before long Katherine.
