“ *Lisa, Bobby and Robert, (The boys) I am so so very sorry to hear you have lost your Mom. I didn't know until today and didn't even know you had lost your Dad. I would have been there if I had known and just hate to hear this. They are gone just way too soon, but I sure look forward to seeing them and all you guys in Heaven some day. Love and thoughts of you always. Kimberley Johns*

“ Our hearts are sadden at the loss of our dear friend Ann. We enjoyed the visited that Ann and Jack would make to Dahlonega, Georgia each year. My favorite memory of Ann was that during one of their trips to Dahlonega it snowed. Ann had never seen snow. So she wanted to get out in it but not thinking about a snow coming while they where here for a visit she did not have the right shoes to go out in the snow. So she put on her regular shoes and then put about three trash bags on top of her shoes. I think she had a great time out in the snow. The snow lasted about three days. I think that was enough snow for Ann.

We would often say that we wished that Ann and Jack could be our neighbors all the time not just for a few weeks each year. We will miss our porch talks.

To Lisa and her brothers and all of the grandchildren know that Ann and Jack spoke of all of you with such love and pride.

We will always have loving memories for both Ann and Jack!

*Blessed to have been able to call them our neighbors,
Teresia, Phil, Amanda, Hazel, Al, Brianna and Andrew Satterfield*
