“ Larry, Shirley, Greg and your families, Please accept my condolences on your mothers passing She was one of the special people placed on this earth to give Joy Love and sincere care for her family and close friends and a joy to people she met in her life journey. She always called me and my family to see how we were doing and it was with great love that I and my family looked forward to not only hearing from her but to visit with her when we could. I will always remember Aunt Kitty as one of the special people in my life as I am sure she is the most important person that was in your life and fond memories. I pray for your families in this time of loss but always know you will see her again. From your cousin Jimmy Grooms and family.
