“ *Listening to her contagious laugh, oh what a beautiful laugh, watching the love grow between two sisters and feeling blessed to be part of it, watching the wizard of Oz together and sharing buttery popcorn together, singing to our favorite classic country songs, sharing our lives together, trying to care and protect her, fighting for her when she wanted to give up on life, and sharing Momo's sweet potato pie together, God, how I miss you since you left us, but I know you have no more pain, tears or sadness, rest in peace.*
