“ Kathy Ellen Coleman was born August 27, 1963, she was welcomed into this world by her mom, dad, her brother and sister, and many others . Kathy's mom, Mae Ellen, (Aunt Cookie) was 1 of 6 children. Some of Mae Ellen's siblings had already had children of their own at the time that Kathy was born. Aunt Cookie's other siblings would later also have children. In other words Kathy would not only have a brother and sister to grow up with but she would have many many many many cousins.

The only thing is, Kathy was given a medical diagnosis that she would have a short life span. She wasn't expected to grow up to know many, if any, of her future cousins and friends.

In spite of this medical diagnosis, Kathy was dearly loved and cherished and as it turned out she DID grow up to know her brother and sister and all the cousins who were born before her and the many that were born after her, including her nieces and nephews. These children become some of her best childhood friends, and she theirs.

Kathy grew up in church, read her Bible, quoted scripture, loved to sing in the church choir, prayed for her loved ones while in Sunday school, Loved God, and gave her heart and life to Jesus.

Kathy turned 61 years old on August 27 of this year 2024.

Kathy lived by God's clock, not by a medical clock.

She was greatly loved, and she loved greatly. More importantly she Loved God with her whole heart, her whole soul, and her whole mind.

Much love Kathy,

Your cousin Paula ❤️
