“ I just can not believe that I am sitting here reading Kathy's obituary. My heart breaks for her daughter,son, grandsons, sister, Daddy, and her best friends and all the people who loved her. She is one remarkable person. I can remember her on the football field with her majorette uniform on looking like a little doll. She was so dainty and tiny, such a proper little lady. My husband remembers her working in her in-laws fields cutting greens to take to market shortly after their marriage.She would work out in that heat (which she hated) and be dirty from head to toe. Anything she did, she did whole heartedly, from driving her bus to buying and reselling items in a shop downtown. She is one of the hardest working, most honest speaking, kind-hearted. woman that I have ever met. I will miss her. So very sorry for what her loved ones are going thru, she definately would not want them sad for she loved them all so much.
