“ *I know there are no words that could possibly help ease the pain of losing your mother, daughter, sister, niece, cousin or friend. Our hope can only be in our Creator. What a blessing it has been for her to have had this last year to hold onto, for each of you. Know that I am praying for your peace and healing during this time of loss. May you feel that knowing Katy is at rest, and she is no longer suffering. There will come a sweet day you will meet again. All my love, Brittany Reeves.*

“ *So very sorry for the loss of Katy. She fought a long, hard battle. Rest easier knowing that she is now in the loving arms of Jesus never to hurt again. In saying that, I can only imagine that the hurt will never end for her family and friends. Prayers for peace for all during this time and beyond.*
