“ A story about Ken and me. Many years ago Ken and I were watching the Gators play Georgia, along with our dad. Ken had on an orange t-shirt with the gator logo and "Florida Gators" in blue lettering. He said to me, "if the Gators beat Georgia I'll give you this shirt. The Gators won and he took that shirt off and gave it to me. I still have it.
Thanks, Ken, for that good memory, and for many others.
Your sister. Anita

“ He was the best Papa a girl could ever ask for. He had rough hands and a soft heart and I always knew he loved me. He was my Pops, my Hero, My Inspiration. Words cannot describe the void that has been opened up, but in its place memories of a wonderful, loving, amazing man soon fill its place. I love you Pops and cant wait to see you again.

“ My Uncle Kenny was quite a character; I remember him as being full of life with a great sense of humor. He reminded me of the actor, Steve McQueen, when he rode his motorcycle. I recall playing football with my cousins, with my uncle rooting us on or often joining in. My Uncle Kenny will be missed. My sympathies go to his family.

“ I remember Kenny as a very adventurous kid with a mischevious grin on his face. He was my first cousin. We loved to come to Florida to visit with his family and our other relatives in Plant City. May God bless and comfort you in this time of loss. Ann Burkes
