

Mr. Kenneth "Ken" Byron Helms

March 29, 1963 - November 7, 2024

Kenneth 'Ken' Byron Helms, 61, of Plant City, Florida, born on March 29, 1963, became a spirit in the sky on November 7, 2024. He is survived by his children, Brett Michael Helms of Miami, Florida and Ashley Anne Helms of Salt Lake City, Utah; mother, Maureen Furney Helms of Plant City, Florida; and brother William Garner Helms both of Plant City, Florida. Ken was someone with the kindest heart, a rebellious soul, an open mind, and a playful character. Always cracking jokes and bringing positive energy to the spaces he entered, anyone that knew Ken and spent time around him knew they would be in for a good time. Ken was a hard-working, charismatic man and worked in the hospitality field for several hotels and resorts throughout Florida. His favorite place to relax was at the beach, where he and his children spent many weekends together down in South Florida. He loved his motorcycles and the lifestyle that provided for him. He was adventurous, exploring an array of hobbies and interests throughout his life including fishing, biking, Tae Kwon Doe, tennis, snorkeling, hostel living, and most recently building a camper van. His memory and gentle loving influence remain strong in our hearts and minds and he is deeply missed and cherished. Expressions of condolences at www.HopewellFuneral.com.

“ Ken was a great friend to me in our younger days, in the 1980s. We had so many great days and nights being girl crazed bachelors! I could always count on Ken to attract beautiful ladies to our table. He was kind, funny, smart, and a Tom Selleck look alike! LOL our time together will always be cherished! I will miss you my friend.
