“ *Dad,
Thank you for supporting us in all we attempted, for the praises when we succeeded, for the helping us back up when we fell. You showed us how to live and enjoy life. I will cherish the memories of going fishing with you, Glenn and Grandpa McDonald. They were some of the best times I experienced while growing up.*

“ I feel so thankful for having you as a grandpa. Every time you would come visit us in Oklahoma you would always put a smile on our face. You were the fun loving grandpa every grandchild wishes for. I will always remember how funny you were. I feel so fortunate to have seen you before you passed and you will always be in our thoughts. I love you grandpa.

“ Grandpa you will be missed greatly. I didn't get to see you all the time but every time I did we had fun, we laughed, and all I have are good memories. Thanks for hanging on so I could say goodbye one last time. You are a special soul and I know I'll see you again someday. Love you Grandpa

“ Dad,
I miss you! I will always be Daddy's girl. You were fun to be around you. I loved being on the porch swing at Granma's listening to you with my Uncles and Aunts telling family stories. The fish were always bigger in the stories than I remembered at the Lake. You always knew how to brighten everyone's day with your smile, a joke or friendly flirtations. We will see you again one day:-)
Love You Daddy,
Your First Girl Kary Lynn

“ Good bye Uncle Kenneth - Just as cousin Denise said "I can just imagine him in heaven flirting with all the angels, telling jokes, and catching a mess of fish. His infectious smile and charm will be greatly missed!" - When Uncle Kenneth was around you knew it was going to be an interesting and fun time - A natural at the art of conversation, a great sense of humor, he was an inventor, self-taught, a man of Big ideas.
