*" Shaun, Winnie, Danny the rest of you, I know that your loss is awful. We in Weston that knew him, looked forward to hearing that he was going to be coming up so we could get a chance to visit with our long lost cousin. He came up a lot of winters to deer hunt with I was in High School and would stay at the camp or at Aunt julie and Uncle Alvie's. He was one of a kind and I say that with the most admiration and fondness. The world is a darker place with out that smile and little laugh of his. He lived his life to the fullest and I will really miss him.. Love each of you.

“ Winnie, I am so sorry for you and your family's loss. I was rased with Kenny and Danny and I am sure you all will be lost without him. I am glad he was happy with his wife and kids to the end. I enjoyed so many memories of growing up, especially the "corn eating contest." He will not be forgotten.

Kenny was like a brother to me. We grew up together and drove his mom crazy. I have never known anybody who loved life more than Kenny. Since I moved back to TN I didn't see him much but I thought about him often. He brought sunshine into everybody's life that knew him. I will certainly miss him.
