“ Condolences to the Butler family. Our thoughts and prayers go out to your whole family. Psalms 147:3 says God, "heals the broken hearted, and binds up their wounds." May God bring you comfort and peace.

“ *Kenny was a friend of mine.
When he needed something, I would try to help when I would finally find out he was in a jam. He didn't like to ask for help. He would like to help you.
He loved his books.
He would have a beer on occasion.
Earlier in his life, he was known to play the harmonica and pretty darn good.
He was a great fan of Bob Dylan
Only saw him upset one time when he used his only curse word ----
"son of a bunny".
I could go on and on and I will to myself.
Miss you Buddy.*

Kenny was a remarkable guy! I was friends with him for 16 years and never once heard him curse or complain. His character was honest and kind. He would never tell a lie and would help anyone who asked. Kenny was better to me than my own brothers and I felt like he was one. Will miss him but I know he is in a better place!
