“ My prayers go out to Coach Kev and the rest of his family! He was an awesome guy and even better coach. I remember him and Kerry picking me up in that goldish Honda Civic that later got upgraded to an Expedition to go play games at Turkey Creek. I remember how much fun Coach Kev made it by hyping us up before the game allowing us to come out and warm up to 69 Boyz...lol. Michelle and her family would be in the stands cheering for us. He made us feel like superstars and in return we played like it. I remember Coach Kev getting me one of my first jobs with Parks & Rec at Turkey Creek and when there was an issue with my first check he paid me out of his own pocket until he was able to resolve the issue with the county. That's the kind of guy Coach Kev was. If he liked you, he'd go out of his way to take care of you! Anyone who knew him well could attest to that. Coach Kev definitely will be missed, but he touched enough lives that he'll never be forgotten. He helped to mold a lot of children into adults and for that Coach Kev we'll forever be grateful!!! Love you and say hello to Moms and Pops for me, I know they were there to meet you at Heaven's gate!
