“ Kevin Hartley... you were the best! I love you and am going to miss you tremendously! So many memories... so many emotions... you taught me what real love was.... setting a bar I don't think any man could reach... you were considerate, charming, thoughtful, the most romantic, patient and understanding, a planner, an experience seeker and creator, a great dad, a great friend, and a little on the ornery side sometimes. You were intelligent, cultured, funny, and fun!!! You were an amazing cook! You were a little on the OCD side of cleanliness and order 😊 I would not change a thing! There's never enough time 😭 but it's God's timing... and He needed you 🙏 You told me you seen Heaven... that it was beautiful! More beautiful than you could ever describe! You told me, your brother was there, waiting on a bench for you... There's no doubt in my mind that you are so full of peace, love, and joy that it's bursting from your soul with the most Heavenly light 🙌 I was so happy when you started getting closer with God and accepted Jesus in your heart and soul as your Lord and Savior 🙌 I can only imagine the sound of all of those angels, singing and rejoicing in your honor in Heaven 🙌

“ I knew Kevin as a little boy. That redhead, chubby cheeked boy was rambunctious and full of life. When he smiled he lit up the room! Kevin will be missed by many here on earth, but Heaven just gained a beautiful soul!
