“ Our most sincere condolences to the family and so many friends that loved Kevin. My 3 younger siblings worked at the hospital in high school, as did Marie. Carol met him soon after. My older brother John (all Kennedys) and he, Danny and Ronnie Hall. Too many to name. Who can think of Kevin without having a smile on their faces? We all go back so many years. There are s many so many memories; especially with the above mentioned and then some. to have so many friends. So much love. Britteny, our hearts ache for you but we have no doubt that you brought much peace and comfort that is a gift to never be replaced. Marie and John (I'm sure others) did what they could. I remember you when you were young. kevin was so proud of you and adored you. You are in our prayers. I'm sure you remember the "Kennedy" family. I'm Kathleen "Kathy" Salisbury. We are all here for you, any time. I remember the guys Christmas shopping each C-mas Eve. So many stories .The guys have even more. I just have smiles when I think of him, and always will. Thank you Keven for the joy you brought to us all. Britteny, & family; May God Bless you in the days ahead. My siblings will be wrting there own soon. He was so blessed to have you and your family and loved ones. Kathy Kennedy Salisbury

“ I didn't meet Kevin until 2019. He and I became good friends, and I cherish the time we sat on my porch rocking and discussing big and small stuff. I took in a rescue cat Charles, who didn't like me at first but **ADORED** Kevin. All of my animals, cows, horses, dogs and Charles loved Kevin. I am so sad he's gone. I spent time with him a few days before he passed on. Brittney and Rip took such wonderful care of him. Love you Kevin, and enjoy Heaven.
