“ Krysta, I am so grateful to have seen and known how strong your love and dedication were to each other. It is so rare to have a soul mate. I know Allen is playing hoops right now and is missing his Krysta. My heart is breaking for Krysta and all who knew and loved Allen. I have some great memories of Allen and Krysta and am sending my thoughts and prayers during this difficult time. Much love, Dorinda

“ There are no words that could express what you mean to me. Brother, Father figure, Friend, you were all of these to me. You taught me to be independent and strong, and then pushed me to do things that I was scared to do to make me independent and strong. The list goes on and on, but most importantly you taught me what true love and respect looked like in the way you worshiped my sister, this is such an awful time for those who love you because we all know that only death could keep you away from her. You have been a part of who I am for 26 years and will continue to be until the day I see you again. I just wish we could peek into heaven to see the look on all of the players’ faces when your short chubby butt snatches that ball and makes a 3 pointer from the outside. I love you bubba and I know you love me too.

“ He was such a moral person in an industry that is very immoral. He taught me how to be a professional. Selfishly, I'm going to miss our almost daily talks about just about anything. I love you buddy! Life will not be the same without you!!!

“ Cool to hear everyone talk about all the things you did for them. I can't think of a better way for people to remember you than that. We can only hope to do what we think are small things that other people think are awesome and huge and i think you did that bro.

“ I know in my heart that GOD has big plans for my brother in law that is why his life was cut short so abruptly. Allen is the smartest man that I know and I will truly miss him. I know that he and my sister are soul mates and again one day they will meet in all eternity and have everlasting love in heaven as they were meant to. I love you Allen and I know that I will see you again, until that time comes you watch over my sister from heaven's floor and smile down on her. I pray that GOD gives my sister the strength courage and peace to face this world without you allen until you meet again. In Jesus name, Amen.---jessica Bryan Vargas
