“ *I met Kim my first day of kindergarten. She was a life long friend and we shared a lot of crazy adventures. I've missed her over the years but she always had a special place in my heart and always will.*

“ *VERY sad news. Kim and I corresponded by email over the last couple of years and I just wrote not long ago and didn't get an answer...wondered why. I know she was truly happy in Florida doing what she loved best and that makes me happy. RIP Kim, I have many memories of you to last my lifetime. <3 <3*
