“ I've got so many memories with Kim, it's hard to pick one, and there's probably some that shouldn't be posted lol. But, she was a good friend and I'm really gonna miss her. R.I.P. my friend. My heart and prayers go out to her family, who she loved more than anything. Her family came 1st, before anyone or anything. She had her ups and downs, but she always came thru, usually on top. Kim, we weren't done yet, so until we meet again...
