“ My heart broke and tears ran down my face when I heard the news! I know I'm late but I always thought of you my dear friend! I waited to long for you to come through my door at the office to say hi. I was wondering what was taking you so long to get settled into your place. Now I know you were taken away far to soon. I'll miss our time, laughs and stories we shared together, especially the fishing stories. It's crazy to say but you were like a father to me. You'll always be deeply missed and loved so much! ❤️ Your dear friend, Amanda~
