“ I've come here many times to share my feelings and left without typing a word.  
It's hard to explain how I felt about Kitty other than to say, I had great respect and admiration for her.  
Kitty was always kind and welcoming. She was so intelligent and elegant. Man, could she cook and bake. Plus, she made the best Sangria I ever tasted. There wasn't anything she couldn't do and I believe if she had to work on a car, she could have. She was an impeccably organized woman.  
Kitty had a special relationship with her daughters. She was not just "Mom", but "friend" to her girls and she unstilled in them the very things that made her who she was.  
When I sit and think of her, I see her in my minds eye, sitting in her spot reading.  
I will never forget Kitty and her welcoming smile and sparkling blue eyes.  
Rebecca, Theresa, and Melanie, your mom was loved. She was loved by many. I pray that the Lord will give to you all the comfort and peace that only He can give.

“Kitty was one of the kindest, warmest, and classiest people I ever met. She was a wonderful and loving mother-in-law to me. If only everyone would treat others with the grace and kindness she did, the world would be a better place. I'm so saddened by this loss and my condolences go out to the entire family. She will be missed. Goodbye for now, Kitty, and I look forward to seeing you again and sharing laughter and a smile someday.

“I was lucky enough to call Kitty my mentor, boss, confidant, but most importantly great and loyal friend!! We had so many good times in the good ole days of GTE as well as after retirement. She was so lucky to have her family whom she loved immensely and who took such care for her when she stubbornly realized she couldn't do for herself! Rest in peace dear friend- i will surely miss you!💕💕
