“ I woke up this morning with such a heavy heart and compelled to speak a little about the life of such a wonderful young man and one of my sons closest friends.

Kristian Bueno passed away over the weekend and we are completely heart broken. My Condolences go out to All of his Family and Friends.

So, when I said wonderful.... I meant wonderful. Kristian was always so polite and respectful. He always addressed me as Ms. April and he always used yes ma'am or no ma'am.

Kristian was always the first to volunteer and assist with two moves for my children. Would take out the trash, would come back after a party or wake up in the morning of the party and assist with cleaning.

It would be an understatement to say Kristian had a BIG HEART. He deeply cared about his friends and would do anything for each of them and He loved his family beyond measure.

I had the pleasure of being the team mom for Three years of Varsity High School Baseball and had many supportive conversations with Bueno. He always had a life plan weither it changed along the way it didn't matter he had goals and was going to be successful. Kristian was also very studious and very intelligent.

Kristian went to hockey games and football games with my family and I would have to say I feel privileged to have spent that time with this group of friends which included Kristian. Not many teens want to hang out with parents but Kristian loved it and he was a joy to be around. Kristian was incredibly funny and quick witted.... I'll never forget driving out of the parking lot of the Buc's stadium.... Hilarious!

Kristian passed his state contractors test and became president of his roofing business. Kristian was a hard worker and very proud of his work. We called Kristian to give us a quote for a new roof and

we spoke for an hour after he did his inspection. Kristian brought me up to speed on how his life was moving forward and I shared some wisdom with him and the response I received from him will live with me forever. Kristian told me that he appreciated everything I did for him as a teen and young man and loved when I would give him encouraging and motivating talks. Just a sincere & kind hearted young man.

Kristian's life ended way to early and I encourage everyone to always have on a seatbelt.

Again our deepest condolences to the Bueno family.

Gone from our sight, but not from our hearts.

Love, Ms. April and the Spinaci's
