“ I went to PCHS with Kris and graduated in the same class in 1998. I was very saddened to read of his passing. I feel very much for his family, as I knew Erica back then as well. I'll always remember Kris as a very outgoing and energetic guy. He was always especially nice to everyone in a time in our lives when a lot of people aren't. He was the exception and not the rule. I can only imagine that he got better with age. My thoughts and prayers are with all of you during this terrible time. God Bless.

“ *The Division of Motor Vehicles, Region VI, would like to express our sympathy to Trooper Tripp’s wife, family and our Florida Highway Patrol Family. Trooper Tripp assisted us with Rebuilt vehicle matters and in other areas over the last two years. During that time he became a true friend and asset to the DMV Region VI family. He will truly be missed.*
