“ She was the most beautiful human being to ever be on this earth. Her faith in God is something I always admired about her. Even on her darkest days, she trusted him. She told me “This may not be when I want to leave or how I want to leave, but God will get me to where I’m supposed to go”

I feel her in my heart and I find such peace knowing she is finally in Heaven with our Lord and no longer in pain. I have my morning coffee with her every single day.

I love you with all of my heart Aunt Kristy and I can not wait to be with you again.
