“ Kyle, 11-13-12 (1 yr)

I think of you everyday. Your anniversary date just passed. Eva and I watched your memorial video again. I think I have it together, but when I allow myself to wander back thru the moments of your life and the memorial video it is a wave of emotion from joy, happy memories, sadness, sorrow, heartache, and what I know you could of, would of, and should of been in your life. I wanted you to experience everthing awesome in life- like your own love, your own family, career, dreams and whatever God could use your tall goofy self for during life. It just was not in His plans son and I know you are with our Saviour in Heaven and that you wouldnt leave there even if you could with all the wonders it holds for us who are waiting. I /we all miss you and I just wish there was something more I could have done to make it all different. I know in my heart I could not and choices get made by all of us in life and consequences happen. God decided to allow you to come home early and now you are with your Mom(Janice) who we also had to let go of early on 1/8/2006. I am sure she was so happy to see you again. The rest of your family, friends and those we love that remain here for now will all see you again soon enough. I /we all love you and keep you alive in our good memories every single day Kyle. I believe you know that and everytime I see a picture with your simile or remember a funny moment, I know you are smiling down on me/us as well. Love you Son, Dad, Eva, Ryan, Granny, Susan, Rhea and all your family and friends. ttyl as I always do :)

“ *The Master Gardener from heaven above,
planted a seed in the garden of love.
From it grew a rosebud oh so small,
that never had time to open at all.
For God in His perfect and all wise way,
chose the rosebud for His heavenly bouquet.
Great was the joy of this tiny rosebud,
to be one of the Heavenly Father’s chosen.
To leave earth’s garden for the one on high,
where rosebuds bloom eternal and never die.
While you can’t see your rosebud bloom,
they are cared for by the great
gardener risen from the tomb.
He’s watching and tending
the wee rosebud with care,
tenderly forming each petal so young and fair.
Think of your darling with the angels above,
secure, contented, and surrounded by God’s love.
Remember God enriched each of your lives so true,
for in dying, your tender rosebud
brought Heaven closer to you!*

Wish there was something more I could do to help you through this
difficult time. ~ Reenee*
