“ We shared the same last name; but we shared something much stronger called “Brotherly Love”. It did not matter how long we went not seeing or speaking to one another we could pick up just like it was yesterday. I am going to miss him a great deal, but I know I will see you again in a better place. He loved to call me and give me the update on the Tampa rays, knowing that I did not keep up with it he would always laugh, it was like a joke between us. I will miss you brother, my love goes with you. Until we meet again.

Love u  
Ronnie
