I knew it would b hard losing u i just didnt think it would b this hard , there's not a day that goes by that i dont think bout u n miss u .. U were the braveist , strongest , caring person i knew , u were a good mom u made some mistakes but its ok cause we all do but the biggest mistake i made was not telling u how much inluv u instead of telling u how much i hated u Now i will never get the chance 2 tell u thank u 4 being the best friend u were , 4 being there 4 me being my back bone , pushing me 2 better myself .. God put u in my life 4 a reason , the question i have is WHY DID HE PUT U IN MY LIFE JUST 2 TAKE U AWAY , u were my best friend , my sister and u will forever b that 2 me .. God what i would do just 2 able 2 see u again 2 hug u 2 tell u how much i luv u n how much u mean 2 me ..
Gina , im so sorry i said i hate u , i could never hate u , u will forever b in my heart , and mind ..Rest high on that mountain and please from time 2 time let me know ur still here i will see u again some day but til then i luv n miss u my friend forever n always

“ *There arent enough words to describe how we feel. Regina You will truly be missed. Myself, Brad & our children will never forget you and in your unfortunate departure we will try to find some comfort in the memories. I wish more than anything in this world that You would have stayed just a few minutes longer before yall got on the bike and left our house. you will always be in our heart & prayers, as well as your children & the rest of your family. We may have lost a wonderful woman but god gained an angel. rest in peace Regina and may god bless those still here that wait to see you again one day.*

“ If roses grow in Heaven Lord please pick a bunch for me. Place them in this girl's arms and tell her their from me. Tell her that she's loved and missed and when she turns to smile, place a kiss upon her cheek and hold her for awhile. Because remembering her will be easy, we'll do it every day, but there is an ache within our hearts that will never go away. R.I.P
