Laurie you wil always have a special place in my heart. I love you and surely do miss you. May you Rest In Peace with no more pain. I have loved all of our conversations. When I was upset and needed someone to talk to you were there with open ear and heart. You were one my first friend that I made when I move here. I thought of you as my sister I never had. I will never forget the day Wayne's dad taken you ride on the motorcycle. Xoxo

“ *The memories I have of you will be in my soul forever! From allowing me to borrow your wedding dress so many years ago. To all the years of wisdom and motherly advice, when I lost my own mother. For all of encouragement and sometimes just a shoulder to lean on! You will be forever loved and missed for eternity!*
