“ *Dear Howard, Betty, & family,
So sorry for your loss. Howard, remember the good times and keep those memories safe in your heart. I could always see how much your Mother loved you and enjoyed being in your company. I particularly remember my Mom and your Mother laughing and having a good time at our family holiday gatherings. Your Mother always brought a much sought after item to our white elephant gift giving Christmas parties. Usually she went out and purchased a gift to trade. Wasn't there a neon bar sign one year that everyone wanted? Seems like there was much bargaining and trading going on for that sign!
May your Mother rest in peace.
Love and blessings to all your family,
Kathy Chesser*
