“ We were so very sorry to hear about Larry's passing. I met Larry when I moved to Florida with my family. I transferred from IRS NJ office to Tampa. Larry was one of the 1st that greeted me, he was such a nice person and always willing to help. Later on he knew I collected mugs and one Christmas he gave me a Starbucks mug, to this day I still have the mug and it's been over 20 years. Our heartfelt condolences to Felicia and family. “ John and I are so sorry to hear of the passing of Larry. We were volunteers under his leadership for AARP TaxAide for six years in the Tampa area. He was kind and patient with us as we learned and gathered knowledge from him. We are very thankful that he was in our lives for that period of time, and we always admired his willingness to help everyone and his decency as a human being and a man of God. He will be missed. Our prayers are with Felicia and the family during this time. Kathy and John Ollivier

“ I am so very sorry to hear of the passing of such a good man. Larry and I started work at the IRS around 1984. From the first moment I met him I felt like I had a new friend. Everyone who met Larry felt that way. He was the epitome of a decent guy. His friendly demeanor made you feel at ease while at the same time always showing respect for everyone he met. He was a steady and diligent worker who was always willing to help others. After 32 years of working with Larry I retired from IRS and became an AARP tax prep volunteer. On my first day, not knowing that Larry had also retired and become a volunteer a couple of years ahead of me, I was pleasantly surprised to see my old friend and colleague ready to help me learn the ropes of a new organization. I'm proud to have served with Larry and even prouder to call him a friend. In all walks of life he was a contributor who was always willing to help others. A good man who will be dearly missed. May you rest in peace my friend.

My sincere condolences to Felicia and family.
