“ I will never forget our begining, LA was the ultimate "soccer chick". She looked out for her soccer boys snd was very protective of them, so she was very sceptical of me infringing on her territory & friends. It was a bumpy start to what became a pretty awesome friendship. She was such a loyal friend to the people she loved and cared about, and although we lost touch for a few years, when I saw her for the first time after over 15 years, it was as if no time had passed and we picked up right we had left off. I'm not sure that I have ever seen anyone put up such a fight, her courage and bravery was incredibly inspiring an touched so may people. She was truly an angel here on earth, so I can't imagine the wonderous things she will do being by God's side. We are all so blessed to have our precious LA looking over us!!! My heart just breaks for her family and loved ones!!!
