“ Dear Emily,

You and Lee have been great neighbors over the years and we will miss Lee. He was a very polite and respectful man and was full of life and will always be remembered by us.

If there is anything we can do for you or anything that you may need help with in the coming months, please don't hesitate to ask. You have been in our prayers this past week and our thoughts have been with you as well. Please know that God's healing hand is with you through these times and that he deeply cares about you.

*Our Deepest Sympathies,
Roger and Brenda Adams*

“ Emily, I am so saddened to hear about Lee. He was a great guy and I thoroughly enjoyed working with him for the 5 years that I did at Ward Oil. He always made me smile. I am praying for peace for you in your coming years and especially during these holiday times. God bless you and your family.

“ I have so many fond memories of Lee. I worked with him for 5 years at Ward Oil Company. There were funny times and times that I can only explain as simply "Lee" being who he was. I am saddened to hear he has left this world. We all lost something when he went. I pray for his family and hope they find peace in knowing he was loved by a great many of people.....

You deserve the best Lee, you will always be remembered by many.....
