“ I have known Lee all of my life but only visited 3 times, distance being the inconvenience. This was not an issue as there was always a strong connection called love and family. Frank and I were fortunate enough to spend some quality time with Lee and Judy in October this year at their home and are very grateful we did. We know he will be missed by many. See you on the other side mate. Lauren and Frank Cao

“ *I worked with Mr. Lee at Walden Lake Elem he was always so helpful and I enjoyed visiting with him he was excited to be quitting to travel and spend time with his wife Judy which I hadn't met until joining the church and guess who was my teacher! What wonderful people I am so lucky to have met Lee and Judy . Memories are a wonderful gift and can be cherished forever. We will be donating money towards Cancer research as my father passed away last month from cancer. Love, Lori and Dan Naegelin and family*
