“ I worked with Ms. Leeta at Kmart in Plant City. She was the epitome of a southern lady. She was kind and loving. I have thought of her often after leaving Kmart because she was such a fine example of how we should treat one another. Heaven has gained a true angel. Love and prayers. Frances

MY

Frances, Nana always taught my sister and me the golden rule....Do unto others as you'd have them do unto you...Your sweet words show me that she shared that with others too. 😊
