“ Aunt Lena always had something to laugh about, and always had a plate to set when you showed up. I had many memories of sitting and talking with Uncle JE on Granny and Granddaddy’s front porch. But the best memory was when I was 10 Aunt Lena and Aunt Susan gave me a surprise birthday party. Sadly I never made it back home to see many of my family. She was a loving person.

“ She is my mother in law and I'm thankful for all she did for all of us. A beautiful person with one of the funnest laughs . She means so much to so many the holes in hearts will be permanent but thankful She is reunited with her husband and other family that have passed from the mortal life.
