“ Leon hired me at Sears on Massaro Blvd. He was a great, fun loving man. I was right out of high school and he was a positive influence on my life. He loved gardening and fishing much like me, He might be gone out of this world but he will live on in my fond memories.

“ I worked part-time for Mr. Perry at Sears warehouse in delivery. This was in 1993/94. I was one of several full time firemen that he hired for the delivery service. He was always a great guy and friendly. I believe after he retired from Sears he volunteered at the Strawberry Festival for a bit. As my wife and I would see him up there greeting people. Always was a pleasure to see him and chat for a while. God bless and rest in peace!
