“ I'm so very sorry to hear of Leslie's passing. She always took part in planning our high school class reunions, and although I only saw her every five years, I looked forward to seeing her. She was very kind and caring and will be greatly missed. My thoughts and prayers are with her family and friends. A loving classmate, LaVerne Ayscue Goss

“ I didn't work directly with Leslie, but have known her from the Clerks Office for over 26 years. I enjoyed many a Barry Manilow concert with her. Leslie lived in the same building below my daughter and son-in-law and children for quite a few years. We will miss her a great deal. Leslie was a great lady and now she is with Jesus. My sincere condolences to her families and many friends. Susan A Carpenter

“ Leslie and I were friends for 18 years. We worked together at the Clerk's office for 10 of those years. Myself, Kathy Snider and her met many times after she retired to catch up on what was going on. I will miss her very much and will think of her often. So much of what I do now she taught me.

“ Leslie worked with my Mom, Elizabeth Escobar, for about 27 years and one of my fondest memories of Leslie is when she, Michael Zgoric, and my Mom went with me to Rocky Horror Picture Show at the University Mall (1980). Leslie was out of her element, but we had a blast that night. I was saddened to hear about Leslie's passing and my heart goes out to her family.

Condolences from the Tedder family.. my mom (Barbara) worked with Leslie for many years at the clerk's office and was terribly sad to hear of her passing. Thought I'd share a pic of my mom with Leslie when they got to catch up to visit for a few minutes at the "Symphony of Lights" during the Christmas season 2010 up at Wiregrass mall. Our thoughts are with all family and friends at this time. -Kim and Barbara
