“ *My heart felt condolences to Eric and Jackie, to those sweet babies and all family and friends. Lilly always had a sweet smile, she was kind and caring and although I haven't seen her in years, she always had a love for her family regardless if you were blood or not. I pray that her memory lives long in each of us, that her children always feel her love and presence. Taken way to young 🙏*

“ We love you so much babygirl. Your babies will forever know their amazing mommy and how much she loved them. JJ is going to be an awesome football player like you always said and Legacy is going to be just as much of a diva as her mommy would have wanted her to be. You will forever be in our hearts Lily. Rest in Peace babygirl 🙏🦋💙
