*I'm so glad that you are finally at peace now Grandma! Over the last 2 years I have helped you in any way you and Grandpa needed. I may not have always been happy, but I wouldn't have had it any other way. You have taught me so much and I Thank You! Your love for the Lord has helped me in my own struggles.*

*I will be forever grateful for you in my life and especially these last 6 months, where I have helped take care of you, listened to every word you have said, and made you promises to do all that you have asked of me. I don't regret one day with you and I miss you terribly. I will keep the promise to you of taking care of Grandpa, Daddy, and Ferrell as best I can.*

*I miss you, I Love You, and I will see you again one day...*

*Love, Joy Lynn*
