“ *Linda...it seems unreal that you are not with us. You have always been that beautiful soft spoken soul, always the giver, never a taker. So in love with your family...a wonderful wife and mother...a super fun Aunt and a great sister-in-law to me. :) Crystal never had a cake you didnt bake and we never a family gathering without your famous potato salad. I remember high school years, fun times and you dating my brother. You two always have had such a special love...never ending...always having such a love of life because of each other. You birthed my first beautiful niece..what a joy Toni still is and the blessing of a grand nephew and grand niece. our family has lost a diamond here on earth. We know God has called you to brighten the Heavens, just as you did our lives here. You are missed dearly, this void will never be filled. Mitchell, Toni, Shane, Hunter and Bailey my heart breaks for yall and your loss. Just know how much yall are loved, I will be praying daily for yall during this difficult time. Much love, Yuvonne*

Dear momma...this all still feels so surreal. I'm really having a hard time dealing with the fact that you are gone. I already miss you so much! Walking into the house and not seeing you in your chair and the smile you always gave me when you seen me is very difficult, but I hold on tight to the memory of the last smile you gave me Sunday on my way out the door. You truely are an amazing women who taught me many things. Especailly your courage and strength the last couple of years. As hard as this is I find peace in knowing that God gained a beautiful angel and that you are no longer in any pain. I have told your grandchildren, the loves of your life, that their nanna is now their guardian angel and that you will forever watch over and protect them....and any time they feel lonely and are missing you all they have to do is look up to the sky and know that you are smiling down on them. I love and miss you so, you were more than just my momma, you were my best friend.

Words cannot even begin to express our sorrow. Rose and I were so sorry to hear about the death of Aunt Linda. Our deepest condolences go out to you and your family while you struggle through this heartbreaking time. May you find God's presence with you as you journey through this time of grief. The love and support of a mother can never be replaced, but we hope you find some strength, in the love of family and in the warm embrace of friends.

“ *We had the pleasure of growing up with Toni and that's how we got to know Linda, she was our Team Mom and we would have so much fun when we would stay at her house. Linda loved baking cakes and one our fondest memories of Linda was our mom's birthday was coming up and we had saved our allowance to surprise mom with a birthday cake. Linda knew what we we're trying to do for our mom, and Linda surprised us by making the cake and didn't charge us for the cake, therefore we used the money to buy mom flowers to go with the cake. Linda always made you feel welcomed and always had a smile on her face when she seen you. RIP Mrs. Linda Heaven received a Beautiful Angel.*
