“ You have been on my mind all week. I think you know why. I wanted to tell you I will miss your phone calls we shared at least five times a week, I will miss the things we shared, the talks about the Bible, I was surprised about your knowledge of the Bible, and how much you really knew. I will always miss your laughter and your sweet calm voice. God and Heaven ever needed an angel they have one now. The love you had for your family and the support you gave us was beyond words I will always remember all our conversations on the phone always ended in I love You. I will remember forever that was the last words we spoke before you left this world. You have completed you walk through the VALLEY OF THE SHADOW OF DEATH here on this earth and now walking in Heaven fearing no evil with Jesus by your side. God be with you Aunt Linda you have left an empty spot in my heart always. I LOVE YOU. Your nephew Gary Bass

Gary and Brenda, Mom was so happy that you had one another. She loved you both very much. She would often say she was worried about you and prayed for you regularly. The last time we were at your beautiful home was for another sad occasion but I wouldn't give anything for the precious memories we all made together. Mom is worshipping her Savior that she dearly loved and we find comfort in that. Love u both.

Mom, my life will never be the same without you. You were such a gracious, loving mother. I remember when we were children, we would kneel by the bed and repeat the Lord's prayer after you every night, until we could recite it on our own. You were such a good Christian role model and your light shined to all those around you. Your strong LOVE and devotion for the Lord has been evident in the way you lived your life. You were not only my Mother but my best friend. I find comfort knowing you are worshipping at the feet of the Lord. I will always miss you Mama. <3

I have such good memories of Linda. She was always so much fun to be around. I can remember when she and Bobby were a young married couple. I spent the night at their house once and it was so much fun to be with them. Most of all, I remember her Faith shining through. Ray and I are praying for consolation for all of her loved ones. Love to all, Patsy and Ray Holt
